

**PRESS RELEASE  
SEPTEMBER 10, 2008**

**JOINT VENTURE OF DIONIC GROUP OF COMPANIES WITH INFOLEX  
FOR THE DISTRIBUTION OF LEXMAR PRINTERS and ALL-IN-ONE  
PRINTERS IN THE GREEK MARKET**

Within the scope of increasing and developing its trade activities, DIONIC has entered into a joint agreement with INFOLEX with which DIONIC Group has become the authorized distributor of LEXMARK printers and all-in-one printers in the Greek market.

Lexmark International Inc. is a leading company in the development, manufacturing and promotion of printing solutions in more than 150 countries worldwide.

Infolex was established in 1991 and is the exclusive dealer of [Lexmark](#) and [AFP](#) in our country, being the only company in Greece focused 100% on providing printing solutions and integrated document management systems.

With over 12 years of presence, DIONIC Group, listed in the Athens Stock Exchange, is expanding and growing, increasing and upgrading its activities that include trade and distribution, consulting services, software, real-estate development and energy.

This action is part of DIONIC Group's strategic plan to continue seeking and utilizing business opportunities with the purpose of increasing its profitability, as well as expanding its product and service range.
